2. Cotton felt in 5 mm thickness and 800 g/m²
3. PUR CV 3538 foam in 20 mm thickness and 35 kg/m³
4. 100% PP nonwoven interlining fabric in 50 g/m²
5. 100% PE nonwoven wedding in 200 g/m²
6. Mattress cover of woven fabric of the 46% PE and 54% PP composition and 150 g/m²

COMFIMAT COMFORT

The Comfort mattress offers high quality sleep due to its combination of pocket springs and fire retardant PUR foam. The combination of those materials guarantees the best support and optimizes the position of the spine. Thanks to the open structure of the coil core moisture will evaporate, hence the mattress creates a hygienically clean environment.

The Comfimat Comfort is suitable for box spring beds, slatted beds and metal frame beds.

This mattress is also available with a waterproof cover and handles on the sides to assist housekeeping.
