

We are proud to present to you our very own lines of MED-certificated marine mattresses&toppers. We offer different sets of mattresses in various price ranges. The Deluxe mattress&topper is part of the Marine line, which is focused on providing affordable sleeping solutions at sea. We offer an excellent price quality ratio with a great production capacity. Due to vacuum packing we can ship the mattresses economically worldwide. Feel free to ask us about different dimensions and thicknesses as to your requirements. On top of that, we can also provide you with additional box-springs or bedding.

## COMFIMAT DELUXE

The Deluxe mattress ensures comfort and the right support for the body. The foam mattress is made of fire retardant PUR foam and a fire retardant cover. It has an open cell structure which lets the material breathe and diminishes the chance of mold and mildew infestation. The PUR foam provides the right support for the spine.

The Comfimat Deluxe is suitable for box spring beds, slatted beds and metal frame beds.

This mattress is also available with a waterproof cover and handles on the sides to assist housekeeping.
