The mattress is 36 cm high and can be ordered in various sizes, with widths ranging from 70 cm to 220 cm and lengths up to 230 cm.

A NEW LEVEL OF COMFORT AT SEA

The Comfimat Cruise Deluxe has been developed for interiors where exceptional sleeping comfort and a refined appearance are equally important. With an impressive 36 cm profile, a linen cover and a carefully layered constructionof fire-retardant visco foam, comfort foam and a 7-zone pocket spring core, this mattress brings a distinctly premium feel to the cabin. The generous comfort layers are designed to provide a soft, welcoming first impression while the zoned pocketspring core delivers stable, balanced support. Protective sisal layers and reinforced foam edges complete the construction, creating a substantial mattress designed for demanding marine environments and luxurious overnight comfort.
